The Honorable Joe Manchin, III
United States Senator
261 Aikens Center, Suite 305

Dear Senator Manchin:

Thank you for your April 1, 2019, letter to the U.S. Environmental Protection Agency (EPA) on behalf of your constituent, (b) (6) concerning the importation of his Harley Davidson motorcycle purchased in Cyprus into the United States.

Members of my staff reached out to Harley Davidson on behalf of (b) (6) to find out if (b) (6) particular motorcycle is compliant with EPA regulations. Harley Davidson determined that model is not and offered to reach out to (b) (6) directly. It is our understanding that Harley Davidson staff have spoken to (b) (6) and shared the information (b) (6) needs to make (b) (6) motorcycle compliant with EPA standards.

Additionally, staff from our office of Congressional Affairs have been in touch with your district staff to keep them apprised of EPA steps to assist your constituent.

If you have further questions, please contact me or your staff may contact Patricia Haman in EPA's Office of Congressional and Intergovernmental Relations at haman.patricia@epa.gov or at (202) 564-2806.

Sincerely,
